The Rock Island Argus.

ESTABLISHED IN 1851.

TO THE FRIENDS OF THE UNION.

The firm and undeviating support given by the Rock Island Argus to the administration in its efforts to put down the rebellion, punish treason and maintain the government, commends the paper to all union men as a journal which truly reflects the popular will, and one which ought to be sustained. But it is only by extending its subscription list and by increased advertising and job printing patronage that the establishment can sustain itself. We have no country papers which offer so much for support, and the weekly expense of the office, together with its receipts, prove the people are no negligent about paying.

The Argus is the only paper which is entirely produced in this country, and is the only paper in this or any adjoining country that takes telegraphic reports. It is thus enabled to publish its readers with later news than any other paper, no matter where it is printed. This consideration alone ought to induce the people of this and adjoining countries to give it a liberal support.

To the people of our country it is, we think, deserving of their hearty support. It speaks their sentiments, respects the war, and represents them, and has done so from the commencement of hostilities, and it furnishes them with the latest news. In addition to this, it is the only paper in the country which publishes full reports of all county meetings, such as the proceedings of the board of supervisors; the proceedings of the city council; the proceedings of the courts; the proceedings of the agricultural society; the proceedings of local conventions, county meetings, teachers' institutes, fairs, elections, returns, home markets, etc., etc. It is the only paper which gives full and complete news of all the county meetings, and no paper printed outside of our country, and no paper printed within the country gives so full, complete and reliable news as the Argus. Why then, should not the people of our country, as well as adjoining counties, show their desire to sustain it by subscribing for it, and paying for it, now?

TO CLUBS.

We are not anxious to extend the system of clubbing, because it gives us no profit on our books, but in order to accommodate those who would not otherwise take the paper, we will furnish any person, who sends us ten dollars, with eleven copies of the *Rock Island Argus*, one year.

We want to let you know that the *Argus* is to be continued at one dollar a year, as we cannot afford to keep accounts with every subscriber and make the name on every paper.

It is carried free, in the mail, to all subscribers who live inside the county limits. Outside the county and anywhere within the state, the postage is 2 cents a quarter, 14 cents a year. Outside the state the postage is 26 cents a year.

We hope our friends in every neighborhood will make immediate efforts to send us as many subscribers as possible.

All postmasters are authorized to act as our agents.
